The Story:

I visited Adele for an hour today and she was completely fabulous. Sensual kisses and a flirty manner. Naturally beautiful with a classic lithe willowy look. We did virtually everything she has on her list and saved some for my next visit which there will undoubtedly be.

Adele tasted fabulous and was subtly sexy throughout.

She was very responsive to reverse oral and then with the cover on we explored all of her body.

She loves it in both places.

I don't try and be too explicit in a review but this girl is sex on long slender legs. She was intense when we were fucking and it was a real turn on.

Finished the hour with a nice massage and promise of more in store when I see her again. I was going to keep her a secret but she's too good.
