The Lady:

VeRY Curvy, definitely an amazonian woman the way she rocks those curves and how tall she is. She has a gorgeous figure.. definitely enhanced but she was definitely naturally Curvy before the surgeries. The only part which wasn't a highlight was he face, but... Still a pretty woman.

The Story:

I will admit I was pretty disappointed with the encounter for 2 main reasons which I will get to. I was amazed when I saw her figure in person and she was very friendly and polite, but the feeling she was just going through the motions started the motion we took our clothes off and everything felt very absent. I asked to kiss her and she said yes giving a very light peck..I thought it might get better but it didn't and so I stopped trying to kiss completely. She then gave me oral.. straight on with a condom, which disappointed me heavily to considering owo was advertised ALongside dfk (for me they are massive wants for me and when she said owo is apparently bad for both me and her I wanted to leave there and then. I stayed because it had been a while since and I'd already laid on the bed and got comfy e.t.c

The sex itself was okay, she "rode" me in cowgirl.. when I say this, I mean she laid on top of me and shook her ass up and down which felt lacklustre. We then fucked with her laying on her side, she was making a few moans which was nice but was mostly just okay.. I then proceeded to fuck her in missionary which was a bit better, she had came at some point missionary which I believed to be genuine as she did show alot more excitement at this point and movement building up to that moment. We then fucked in doggy for another 10 minutes where I then came and it felt really good inside her massive ass which was a beautiful finish.

I gave a neutral because I was genuinely so so disappointed with the lack of owo and dfk, especially when it's advertised. I am a pretty muscular, lean man in my early 20s (which she did take a moment to mention) and id taken the time to clean and shave so.. those 2 things missing ruined a big part of the experience for me no matter how beautiful she was. How the worker makes

you feel.. little hand strokes e.t.c. are more important than simply having sex with an absent beautiful woman.
