### The Premises:

Sisi still works out of the same place I've seen her five times previously - a modern apartment block in a safe, quiet side street in an otherwise fairly busy part of town – hardly anyone around when I was there early afternoon, and certainly no one taking any notice of me. As usual, Sisi had me text her when I arrived so she could buzz me in – all good.

Large, airy apartment with a nicely appointed, clean and tidy bedroom, all laid out nicely for our massage session. No mood lighting for our sessions – it's lights definitely on so the girls and I have full view of what's going on, which is exactly what we all get off on – and the variously scattered ropes, restraints, paddles and dildos heighten the sexual tension, even if you know they're not what you requested but are there for someone else, lol!

### The Lady:

Third four-hands session with Sisi and her very good friend Judy (Judy\_Summers on AW). Both ladies are Asian, mature-but-fit-looking, compact little pocket dynamos (accurate profile pics), with luscious, long, black hair (Sisi's is usually dyed some crazy colour, but not this time). Their spoken English is somewhat basic, but you can converse with them, and they have a great sense of fun, and are able to communicate a great deal by their facial expressions, hand movements, chuckles and laughter. As previously, they are delightful, cheerful, relaxed, naughty ladies who clearly wanted to go all out to make sure my time with them was a great experience – which it most certainly was! Good comms with Sisi before our meet, which are quite witty and amusing – as I say, she is a fun lady!

Our sixth meeting, and haven't seen her for a while, so was welcomed incredibly warmly and enthusiastically at the door by Sisi, wearing a sexy, matching black PVC top and tight pants combo (full, under-crotch zip in the pants) and, somewhat incongruously, a pair of smart, maroon court shoes, making her look like a kinky secretary! Then Judy 'appears' dressed in a slightly crazy, sexy combination of non-matching top and skirt and, get this, a pair of furry, comfy-looking carpet slippers – her little joke. Made her look like a naughty, sexy aunty!

As always, Sisi and Judy were just brilliant, with their same cheerful, fun-filled, delightful and slightly 'zany' personalities making for yet another wonderfully relaxed and VERY naughty time. They are two lovely ladies who always go all out to make sure I have a truly memorable four-hands session. They were complete FUN - LOTS of laughing and chuckling as they had me squirming and gasping as they skilfully teased and tantalised me to oblivion.

## The Story:

Smiling and chuckling, Sisi and Judy lead me into the bathroom where they get me sat down on a bath bench (new for this visit) and proceed to give me a thorough soaping and showering, with Judy paying particular 'attention' to my cock which very quickly rises 'to attention' as we all watch in delight and amusement.

Then we're back in the massage room, cock nice and erect, whereupon the girls get me face down on the massage and, as previously, expertly set about giving me a thorough, firm and 'determined' double massage, with the ladies skilfully alternating between my upper and lower body as they pressed and pushed and pulled on me to smooth out my creases and iron out my knots.

Then it's the part I've been eagerly awaiting - with Sisi working my lower back, bum and legs, Judy starts teasing and tantalising my sides and armpits with delicate, skilful strokes of her fingertips and nails. As before, this has me gasping and squirming around, with the girls laughing and chuckling every time Judy gets me twitching – which is pretty much all the time!

Obviously, my cock is now hammer hard ready for the next, eagerly-anticipated part - Sisi delicately stroking my balls and perineum with her finger tips and nails. I raise my bum up in the air, off the massage bench, whereupon Judy reaches underneath and starts to stroke my bell-end! Sisi then starts the reach-through and cock grabbing, then pulls him right back through my legs, wanking and working him – outrageously provocative and pleasurable! And then Judy's on my back, naked as it turns out, posing for Sisi to get some pics, with all three of us in fits of laughter as we think of different positions to pose in.

Then I'm over onto my back, to find Sisi has taken her PVC off and is now down to bra and thong, whilst Judy has taken everything off, lol! And off we go again starting, with much hilarity, with more pics of me with Judy on my front, and with me finding, to my surprise, that Sisi has got a glass dildo up my bum! Then we're back to it, with which Judy absolutely delighting in having me gasping and squirming as she teasingly strokes my armpits and nipples. Meanwhile, Sisi's wanking me whilst also stroking my balls and perineum, whereupon Judy comes round to join in the fun. Sisi gives me her 'phone and gets it angled so I can video the four-hand wank-off to a very respectable spurt of pre-cum, followed a little while later by the full load, wanked out by Judy and videoed by Sisi; a wonderful, highly vocal climax!

The girls wipe me down and finish with a lovely, relaxing, 'wind-down' massage, followed by a nice shower, and passionate hugs as I take my leave.

So, yet another fabulous four-hands with Sisi and Judy. Another brilliant session. Sisi and Judy are two incredibly lovely, friendly, skilful, fun-filled and devilishly naughty ladies – VERY highly recommend! :D x
