The Story:

I took advantage of the voucher scheme that the management were running Monday to Thursday 1400-1700 only. £10 off.

Seemed too good an opportunity to miss. Arrived on time, I was let in by Ruby completely naked. WOW she looked good. Showed me into the bathroom as previous punter was still there. I was let out after a few minutes and into the room with Ruby now wearing her lingerie. I'd already put the notes on the table. We kissed and it was very good. Plenty of passion and I felt Ruby's firm ass as we kissed. On to the bed and I asked for 69 to which Ruby readily agreed. She tasted great and I indulged myself for a good 10 minutes whilst Ruby did wonderful things with my little fella. Very good mouth and tongue action. I was able to grab Ruby's lovely firm ass to my hearts content. Ruby then mounted me for a bit of cowgirl so I could play with her tits too. Then onto doggie with some gentle slaps of her bottom. All in all, a very pleasurable experience that I challenge anyone not to enjoy. Ruby has a very fit body and she is very responsive if she is treated as she should be.
