### The Premises:

Nice modern apartment in Central Milton Keynes, light and airy. Helen packs a lot into her place, it's a bit of a tantric Tardis, a bedroom for GFE, a separate room with a professional massage table and more specialist equipment such as a sex swing (great fun) in other parts of the premises. Lots of BDSM gear for those who indulge. Super shower room of which I have many happy memories.

Lots of inexpensive parking nearby, far enough from the shopping center to never be crowded, alternatively free for 3 hours at a nearby supermarket.

### The Lady:

A definite English rose, Helen is tall and shapely with long legs and wonderfully proportioned boobs and bum. Particularly suckable nipples... She can dress anywhere from elegant to filthy as required.

### The Story:

A visit to Helen is always special. Demure until the door closes, then she's a full on force of sexual nature. An absolutely wonderful snogger from the get-go, and things only getting better.

We are both quickly naked and exploring each other's bodies, my hands and mouth magnetically drawn to her superb breasts. There is a big mirror in her bedroom so I can enjoy two Helens paying attention to my erection.

After a while, we move to her shower for the main event, I enjoy nothing more than a soapy, slippery naked Helen, she always feels good but there's a whole new layer of sensuality to a wet Helen. I've had excellent experiences with her and Nuru, and oily massages but running water and shower gel just feels magnificent. Oh, and there's another mirror in the bathroom so another opportunity for two Helens, both of them taking me in her mouth defies description.

We dry off and go back to the bedroom to finish things off, and then spend quality time in each other's arms putting the world to rights. There's no rush with Helen, and whilst together we are the center of each other's worlds - no phones to interrupt the moment for instance.

Highly recommended.
