### The Premises:

Small flat under a 10 minute walk from the Edgware Road tube station. Directions in the text from Olina were very descriptive. Single bedroom apartment, small shower but perfectly fit for purpose.

### The Lady:

Abigail is a very attractive, fit, and young Thai lady. She looks very close to her Olina pictures, she is a little over 5 feet, with quite large and beautiful enhanced breasts. She has a small amount of tatoos and a very beautiful face. I think she is in her mid 20's.

### The Story:

It was very hot in London and once I got to her flat she was very intent on making sure I was comfortable and relaxed. I first took this as potentially time wasting - but was completely wrong, she truly was being a gracious host - nothing was rushed her intention was to create a pleasant and relaxed environment. We started with a cold Evian water and a nice warm shower where she helped get me clean and cooled down with some nice OWO in the shower.

Onto the bedroom she let me play with her beautiful large breasts for a while, this then turned into her giving me a wonderful teasing BJ. On my request she sucked on my balls this led to a fast CIM for the first shot.

Nice long relaxing massage where she spent a lot of time on my legs. Once ready to go, we got into 69 and I believe she has one of the most beautiful pussies I have ever seen. Wonderful sex in several positions ending with her on top.

She was very attentive and wanted at all times to make sure I was happy and comfortable.

I did not inquire about Anal or Rimming this was my choice.
