The Premises:

2 bedroom flat about a 10 minute walk from Edgware Road Tube station. I have previously seen other Olina ladies at this location. Nice large bathroom with clean new fresh towels.

The Lady:

If you are attracted to young extremely petite Thai women you will very much like Honey. The girl at Olina I would say she most closely resembles Malee from a year ago. I would put her at 5ft tall with an extremely tiny frame, she had beautiful natural breasts with large brown nipples.

She has a very beautiful face and smile.

The Story:

Extremely pleasant experience throughout. After the shower she went straight to sucking on my balls and I was in total heaven. Her ball sucking was so great but I was dying for her to suck my cock, she then spent several minutes with lots of eye contact while she sucked my cock. Her BJ skills are excellent, and she does a really good CIM.

Nice long (and hard on my request) oil massage, she used her elbows really well. She kept checking to see if I was ok.

After the massage she sat on my face and I licked her wonderful tasting pussy before we fucked in multiple positions.

I cannot wait to see her again.
