The Premises:

X-Lounge is located opp Leicester train station. Feels like an old school parlour set up. Rooms are clean and comfortable, there is a separate shower available.

The Lady:

The pics are accurate, I didn't think that her lips were too inflated, just about right. Probably a size 12, large breasts with pierced nipples. Good womanly figure and IMHO a very pretty face.

The Story:

he X Lounge does not take bookings, it's a case of walk in and see who is available. There is plenty of paid on street parking nearby, or Leicester station is across the road. Once I arrived in Leicester and parked up, called to see if Ellie was available and was told that she would be in about 30 mins. Chose to wait in car for 15 mins and then knocked in the door asking to book in with Ellie. Had to wait downstairs, and a curtain was pulled across when other punter was about to leave the venue.

Directed to an upstairs room by the maid after paying the £10 door fee and opted to take a shower. On arrival back in the room, Ellie was there putting on her outfit and I liked what I saw. The pics are accurate, I didn't think that her lips were too inflated, just about right. Probably a size 12, large breasts with pierced nipples. Good womanly figure and IMHO a very pretty face. She asked what I was looking for and set out the extras for OWO and Anal etc. I left the cash on the massage table, which was not touched until the end of the punt.

In a nutshell, Ellie is pretty much up for anything. She was delighted when I asked her if she was happy for me to use poppers and fuck with a strap-on.

The next hour was an absolute blur as Ellie wasted no time in getting started with plenty of DFK'ing, groping, encouraging me to get fucked up on poppers, delivering some awesome OWO, rimming both ways, more DFK, and playing with my ass with her fingers.

It was time for her to show her strap on skills, instructing me to kneel on the floor, bend over the bed and look in the mirror as she donned the large cock. After telling me to take more poppers from the bag, she set about bugging me needy ass as expertly as I had hoped for. It felt awesome as she

fucked me, varying the speed and intensity whilst encouraging me to take more poppers and calling me a perverted little cunt who deserved an audience. With that, she told me to bend over the massage table, opened the door, and called out to Rio who came to see what was going on. She arrived at the top of the stairs to see Ellie fucking me with the large fake cock, Rio called me dirty cunt and said next time she would sit on my face whilst I was taking a pounding. Rio looked like a right filthy MILF who I would happily punt with.

After Rio left to service another punter and with my butt needing a break, we moved to the bed for more oral and some unexpected watersports fun. Ellie offered to piss over me, and not wanting to turn her down, let her warm piss stream over my body, before she went down on my piss covered cock. I asked for a prostrate massage, which with the aid of more poppers, progressed to Ellie fisting my ass whilst teasing my cock. The end came as I wanked my cock and Ellie offered to take my load on her slutty face before rubbing it in.

Cleaned up whilst having a chat about the punting scene in general, before I took a much needed shower. Had another chat as I packed up my bag and got dressed and left for the drive home.

This was a top class punt with a top notch WG who clearly enjoys her job! Most certainly in my top 3 punts of the year and I would see this filthy SP again without any shadow of doubt! :cool: :drinks:

Ellie also works at the Director Lodge and HoD as Honey.
