The Premises:

Usual MN venue, clean and fit for purpose.

The Lady:

Masey is easily in her mid/late 50's, size 16-18, with a fair number of tatt's.

The Story:

usual efficient MN booking procedure, I confirmed the services available and asked about "kissing" and was informed that Masey provided FK. On arrival I was directed to the largest room on the top floor.

Masey entered the room after a couple of minutes, I was really disappointed as her profile didn't match what was standing in front of me. TBH, I cannot believe that I didn't walk instead of handing over my punting tokens.

Masey is easily in her mid/late 50's, size 16-18, with a fair number of tatt's. Once she started talking and got on to the bed, I was transported back to punting 20-25 years ago. The fake noises started immediately, rubbing her hands over her large butt and tits, telling me what she wanted to do, whilst trying to suggestively wink at me.

The notion that this was not going to be a quality punt smashed me in the face, so I had to take control. Kissing was almost non-existent, not that I was that bothered by this point. I lay on the bed and asked her for some oral. TBF, this was the best part of the punt, but was too hard and fast. When booking, I had asked about "toys for boys" which Masey's profile said that she catered for. Well, this turned out to more spit on a condom covered finger and try to ram it where the sun doesn't shine. I asked her for some lube, she looked miffed, offering baby oil instead which I refused. She managed to find a sachet of lube in her work bag and then more comfortably, played with my butt with my cock in her mouth.

After this, there was no way I was letting her loose with my large strap-on, so opted to continue oral and headed towards the finish line. I indulged in plenty of poppers and thought of far better punting

experiences as I wanked myself off. Masey did clean me up, and suggested round two after a rest. I decided that I couldn't face a 2nd round, so took a shower and got dressed. I left after 30 minutes.

This was a dire punt and serves as a reminder of how good some of the other WG's at MN are such as Sky, Sasha, and Mandi. The most disappointing part though, was the fact that I didn't walk out when I first met Masey.
