### The Lady:

Absolutely stunning. Really beautiful woman, amazing figure. Kind, friendly, can not fault at all

### The Story:

I was nervous before I got there, Ruby answering the door in her underwear made me crumble, complete bag of nerves. Ruby was absolutely lovely, showed me to the room, got me a drink, completely put me at ease.

Ruby's body is to die for, such a good figure, seeing is believing. An amazing kisser, her oral skills are literally out of this world. My balls ached for a week after the attention she gave them, never experienced anything close to that level in my life, truly amazing.

She is definitely worth a visit and I'll be back one day
