The Lady:

Gabriela is drop dead gorgeous!! Very pretty face, gorgeous eyes and lips, long dark silky hair, slim size 6 with no ounce of fat, and smooth skin. A model type. Some thought she looks like a young Catherine Zeta Jones, but I thought she's more like Selena Gomez. Either way, she's stunning! Gabriela has a sweet personality, the type of girl that every man would fall in love with.

The Story:

Gabriela entered the room with a big smile, wearing sexy lingerie and high heels. I was immediately turned on! She put me at ease and started with very sensual kissing and cuddling. I was in heaven having this supermodel in my arms! She undressed my shirt and pants and went down for a very sensual oral that got me hard like a rock in no time. The eye contact, the enthusiasm, gave me a feeling she's really into it. I was about to explode, so I asked to slow down and lie on the bed.

On the bed, we kept kissing while cuddling hard with my legs fully wrapped around her. Her moaning and breathing was so sexy! Naturally, the inevitable happened rather quick, all in less than 15 minutes. What an erotic experience! What a sex Goddess! Gabriela really knows how to turn you on and get your sexual energy out.

Still time for chat, and she's really lovely and genuine. She still would kiss, making you the centre of her attention. I was really impressed by her way of connecting. A true gem and a star in the business.

We kissed goodbye with a promise to meet again. I had a blast!
