The Premises:

Well reported - was in the basement flat which was a little cramped given the number of people!

The Lady:

Adele - tall, slim, blonde Australian in her 20s. Long hair, very attractive and much better than the photos. I've always had a thing for blonde Aussie chicks and her looks were spot-on - a real babe with the only downside her having fake knockers as I much prefer natural.

Mixy - another stunner. Absolutely gorgeous. Said to be a combination of Colombian and Thai but whatever the concoction it's an amazing mix as she's the archetypal exotic beauty. In her 30s and her photos are an accurate reflection as she has an amazing curvy and smooth body with a great pair of tits.

Sierra - tall, slim ebony girl in her 20s. Said to Canadian and possibly of Jamaican origin. Facially attractive and a good natural figure.

Rose - when I first set eyes on her the words buxom wench or milk maiden came to mind. She's blessed with amazing, huge natural jugs. English and in her early 20s with nice girl next door looks - a little on the plump side but overall a nice package who grew on me.

Effy - i'm afraid Effy, who is also English, was the only girl of the 5 I didn't fancy. This was due to her being too skinny - she's slimmer than her pictures where she's slim anyway. I generally go for girls between UK sizes 8-12 so she was not my body type.

The Story:

My ultimate fantasy has long been a four girl orgy comprising of a white blonde, a black girl, an oriental girl and a brown girl simultaneously pleasuring me.

I've thought the most likely places for me to fulfill my dream would be either in London or Dubai as they are probably the most cosmopolitan places where there is a large whoring scene.

On a recent flying visit to London noticed that my default option and favourite cathouse in London had a blonde, oriental and black girl working from the same flat. Not quite the dream team but thought I'd snap them up and called the maid to arrange. She reminded me that their other flat is in the same building and so in fact they had 5 girls available (the other two were English brunettes).

I've always thought an even number works better for a threesome or more (this session confirmed it and I think it's due to the body enjoying a symmetrical experience with an even number in each side) but decided to go the full hog and book all five girls for 30 mins! I justified it on the basis that I've been very quiet since Covid. The few years before Covid I typically had 60-70 sessions a year including making several trips each year to FKK clubs in Germany which I haven't done since 2019 and this year had only visited 5 hookers so had money in the kitty and needed a spectacular to jolt me back into action!

I got there the following morning with a wide grin and was in a room in the basement flat which was a little on the small side and the girls all entered one by one.

The session is now a bit of a blur but started with each girl introducing herself and me then having a little smooch and fondle of her. I then laid back on the bed and let the girls work their magic.

It consisted of the girls taking turns to suck me off with the spare girls taking turns to present their tits for me to fear on or generally nuzzling or rubbing various parts of my body, including my feet. I do also enjoy eating out pussy and invited the girls to sit on my face. Only two obliged, namely Adele and Mixy who took turns and had two sittings each! Both had lovely pussies and tasted and felt great. I finished with Rose blowing me and cumming on her tits whilst Adele was writhing on my face.

Overall, a fantastic experience albeit pricey at £400 (ie £80 per girl) though I've spent that amount on several mediocre punts in Dubai over the years. Notwithstanding that, I felt the experience would have been enhanced if all girls provided owo and RO. I think every HOD encounter I've had in the past (and must be around 20) has had owo as standard - I imagine the non-participating girls were mindful of swapping saliva and bodily juices with one another.

Would I repeat? I'd definitely make a point of seeing Adele and Mixy again and would also be happy seeing Rose again individually. If the stars align and HOD do have 4 girls on the rota of different races, will not hesitate to have another orgy and this time make it an hour so I could really savour (I'm mindful I didn't get to shag any of them) though I would clarify beforehand that I'd need each girl to do owo and RO. Otherwise 30 mins would be fine.
