### The Premises:

Normal parking situation and discrete premises that smelt fresh and looked spotless!

Shower was functional and stocked with goodies to refresh with.

### The Lady:

My word, Khloe does not disappoint, tall, elegant with mesmerising eyes and a beautiful smile.

Khloe has legs for days and curves in all the right places and is a worldie.

### The Story:

The message was excellent working out some knots and aches in my shoulders whilst maintaining a velvety soft touch.

Her body to body massage and feeling her sensually tease and tantalise my body, it wasn't long before the body to body and session started to become more cheeky and mischievous.

I'll leave some parts between Khloe and I but her cheeky personality and naughty side came out more and more throughout!

Top marks.
