### The Premises:

Old school parlor tucked away in the town, plenty of on street parking. Clean and tidy with a friendly welcome

### The Lady:

Tall middle aged brunette. Photos probably taken a few years ago... Nice feminine body slightly enhanced boobs pretty r=face

### The Story:

A very old school punt, no intimacy, kissing just a massage (nicely done) OW and sex in a couple of positions. Quite a vanilla experience and tried for the usual everything is extra as some of the VS girls do but that said she was friendly and chatty which made up for an ok first half. Probably wouldn't go back but not saying that you shouldn't
