### The Story:

Walk-in. The new place is very nice just off the road up from the A5. Room upstairs with ensuite shower. Nice large bed. Walkin Sherri looked the most confident walking into the room taking my hand. I opted for 30 minutes of fun.

She looked great, large round tits, slim girl long dark hair white short dress just like in her pictures on the website. Large smile and a friendly look. I jumped in the shower, came out and was offered a massage which was soft all over my back . oral without which i uped to 69 she rubbed some lube on herself. She laid on top of me, she had a great technique, tasted of strawberry flavour lube and a slight natural flavour which was much nicer than the artificial taste.Had me near to coming, she seemed to like my efforts. We then moved onto covered sex she put the condom very nicely and she has very good hands. We talked and she said about other services which I would love to try next time all of her services on her list seemed to be on offer. I felt that time was moving on. She went on top, legs bent, bobbing up and down, great technique and lots of energy eye contact and sexy encouraging words. I moved to on top very sexy looking down lots of kissing though the whole booking then I finished . cleaned up. We had gone over time so I paid the extra to make it 45 min booking for £90 as there was a £10 discount for a walkin. Walking to the front door by sherri overall a great booking i am looking forward to returning to see her again.
