The Story:

Kris came into the room in matching black knickers and bra showing of her ample assets and greeted me with a kiss whilst I sorted out the money and then helped me to undress before telling me to stand in front of the mirror whilst she gave me OWO and then climbed onto the bed for more OWO. I then suggested that I return the favour and then on with the rubber for some cowgirl and a early finish for me . So I insisted on finishing what I had started and gave her pussy a good licking till completion . She surprised me at one stage by asking if it was ok for her to take her shoes off to which I said yes of course you can .Which I thought was sweet that she was asking if I thought it was Ok or maybe that's me just being old school.
