The Lady:

Elizabeth posts some of the sexiest pictures online and I can confirm that she is even sexier in real life. No photo shop here, all natural and incredibly sexy curves with an arse to die for. Very pretty, she gives one of the best GFE I have ever experienced and is incredibly sensual and close. Absolute 10/10 and will give you the level of service you will keep going back for. OWO, Kissing and Sex are all incredible and to provide her the biggest compliment it feels real ????

Bunny is also incredibly sexy, everything about her oozes sex appeal. With a face and body most girls would die for. She has a really friendly cheeky personality and is seriously fun to be with. GFE is second to none, OWO is mind blowing, kissing is passionate and watching her bouncing away on top is one of my favourite things ??? and her skills on top are absolutely unreal.

These two girls are unbelievably good, give absolute 5 star service and deliver it so well and intimate that you might actually forget it is a paid for service ????

The Story:

I have seen both before and their GFE is ridiculously good so I was seriously excited about a duo with these two.

Both girls come in dressed in beautiful lingerie and suspenders which they said they added because I am a sucker for suspenders ????. Bunny was in a beautiful pink fishnet all in one with pink suspenders - unbelievably hot! Liz also looked incredible with a super sexy black tie up number which I had mentioned before was one of my favourite outfits I had seen in her pics. She also had some sexy black suspenders and the two of them looked super hot.

It started with me being tied to the bed, blindfolded and then teased within an inch of my life by

these two seriously hot ladies. Soft and slow Kissing and oral combinations, pulling away and building up again bought me seriously to the edge. It was incredibly sexy and the blindfold added to the heightened senses.

I could not resist watching them so removed the blindfold and watched these two beautiful ladies go to work. Half way through restraints removed so I could actually touch ?????. Bunny sat on my face (I love it ?????) whilst Liz gave me fantastic OWO, Then they switched and I had the pleasure of Liz sitting on my face and Bunny giving me amazing OWO.

By this point let's just say I was seriously turned on and very close...

Liz on top working her magic with the beautiful bunny beside me passionately kissing. Then onto reverse cowgirl where bunny and I admired Liz bum in all its glory ?????. Fantastic Reverse cow girls skills and more passionate kissing from Bunny bought me to a fantastic end a couple of minutes before the hour was up. This was one of those occasions when I wished I booked longer than an hour.

Two incredible ladies giving absolute 5 star levels of service, two of the best there is in my opinion so if you fancy your mind blown with a duo fantasy then you know who to book.
