The Lady:

Somehow Layla wasn't quite what I was expecting from her photos, but was kind, attractive, attentive, and talkative without being too chatty. In fact, I'd say her voice was a bit of a highlight as she was well-spoken and gave off a distinctly professional, middle-class vibe with slightly boss-like overtones. So if that's a thing for you I would definitely recommend Layla. I must admit it did add a little something for me, so that's interesting to learn.

The Story:

Layla is new and it was very massage-focused with no reach-unders while I was on my front and, aside from the inevitable (and pleasurable) ending, only fondled my gentleman's agreements on one occasion. However, the massage was attentive, thoughtful and sensual, and once she'd learned I was a boob guy she applied them liberally to my face throughout the rest of the session so I was a very happy and relaxed man. I can see myself booking Layla again.
