The Story:

I've been to see Helen on a number of previous occasions since the early 2010s, and I figured that the fact that she's one of the more reviewed ladies on Punternet shouldn't prevent me adding my own!

(If you include the reviews under the old 'hey do you fancy a change from the norm' profile)

[I've been lurking this site for way to long]

I booked in for nuru and facesitting. We had a shared shower and then onto the airbed for what was basically a very slippery hot nuru massage with body slides, cc swipes, reach unders, slippery boobs and pussy in my face.

Which was as good as it sounds... ????

I lay back in a happy place and reflected that having a vanilla girlfriend would never work for me

Helen got me to cum twice, the second time I literally didn't think it was going to happen, but Helen was insistent it would, and it did...

Thank you Helen!
