The Premises:

New place in Milton Keynes but not far from the old place

The Lady:

Anya is really petite and has really long legs that'll make you horny just looking at them, really good hygiene and has red hair so the images are out of date but her body is the same with no changes - if you're looking for a bombshell then look no further.

The Story:

So, I did meet Anya before when I was with another girl and she came through to get her clothes this was a good few months ago and since then I have been waiting for book her ever since.

We first started off with a really good massage talking about our day and everything nothing was forced or the generic conversations, it was fully flowing and for someone like me where talking build connections and relaxes me this is important. Anya English is amazing and we had so many laughs and jokes while getting to know each other. We asked each other what we liked and didn't like which is brilliant so there is no guessing games going on.

Once the massage was out of the way Anya slowly made her way to my big guy below stroking him slowly just how I asked and was really horny - I asked for a sloppy blowjob and I have to say guys this lady really does know what she is doing when it comes to giving blowjobs that are sloppy - I have been doing this for 5 years and this for me is super important and had my fair share of bad blowjobs.

There was no clock watching at all or a routine she was following everything just flowed so well that I couldn't hold it any longer and asked Anya to get the Jonny on and ride me - I've had many different cowgirls but anyas is the best one I have had so far it was really passionate and slow again just how I like it instead of fast and hard.

After a few minutes doing cowgirl I didn't want to cum before doing doggy while looking in the mirror so we swapped position and did doggy until I came which was not long as I was super horny by now, we cleaned each other up and had a amazing chat for a couple of mins and I wanted to go or

round 2 but the big guy downstairs wasn't able.

Overall: I wish I booked her earlier and normally my type of British but if I do get a chance again I'll be booking Anya over my usual type!.
