### The Premises:

Directors Lodge has been well reviewed over the years. A great place, well refurbished on the inside. It is safe and discrete and everyone is very friendly and welcoming.

### The Lady:

Zara is very beautiful. I hadn't seen any photos of her before booking, so I can't compare. She is a tall, very beautiful, blonde whose gorgeous legs go on for miles and to my eyes, she has curves in all the right places. She has beautiful blue eyes and the softest, most sensual lips that I have ever had the pleasure of kissing.

### The Story:

Having had some great sessions over the last few months with Emma and also with Scarlett at Directors Lodge, I found myself near J28 of the M1 on a day neither of them were working. It was all a bit last minute but after a quick call, I found that my luck was in and that Zara had an hour to spare. I had seen so many positive reviews about her, so I was very happy to get the chance to meet her for myself.

I have always found DL to be a very warm, friendly and welcoming place and today was no exception.

I met the maid at the door and after a cup of tea and a short wait, she took me to the room. I handed over the £20 room fee and started to get undressed.

A few minutes later, in walked Zara. She came in, tall and confident with a big smile, put her arms around me and kissed me. I loved that.

Friendly, calm and relaxed Zara put me at ease very quickly. We talked about what I wanted and she was so supportive, understanding of my particular kink and gave me so many cuddles and hugs, which is exactly what I needed. I soon lost any remaining nerves as she took over and started kissing me.

She really took her time to make sure everything was right and there was no sign of any clock-watching. I had an incredible time and my experience with Zara really was amazing. After we

finished, we held eachother for a few minutes before it was time to hand over the paperwork and for me to drive home with a stupid grin on my face.

I had such a good time that I will definitely be going back to see her again soon.
