The Premises:

Fallyn was in Anna's old flat which is about 10 minutes walk from Queensway tube . Olina have good comms but their roster of girls at the time of the punt was unappealing now that Anna, Tracey, Nicky and Mimi have all departed. Having said that Fallyn was my second choice behind Maya who was unavailable.

The Lady:

Fallyn wore a schoolgirl outfit and my first impression was that she appeared to be a lot younger than the ladies mentioned above and my second was that the shape of her eyes are incredible. I wouldn't say that her photos are very representative of how she appears in the flesh.

The Story:

Fallyn is a neutral for me despite going through the usual gears, anal on both me and her, pussy licking and a CIM finish. A lot of time was wasted on showering me at the beginning. I just needed a quick cool down cos it was warm outside. There was something frigid about Fallyn that I couldn't quite put my finger on. Yes, she French kissed with tongues but pulled away after a couple of seconds, she didn't enjoy being cuddled or hugged, and her nipples were sensitive and I wasn't able to suck on them.

The tits are fake but so well done that the Tyrell Corporation must have made them.

She did fuck me in the arse good. Fallyn asked me to close her eyes and when she inserted her fingers yelled "surprise" but I didn't leave her place feeling better than when I arrived.
