The Lady:

Adele is Australian, 5'9" tall, very fair, blonde, supermodel figure, beautiful face, immaculate smile, endless legs, supple smooth skin to the extent that I am falling short of words to describe her beauty.

The Story:

On the very first sight of Adele i got the instinct that its going to be a great punt. Then while she was walking me down to the room i caught sight of her beautiful toned derriere and never ending legs. Once inside the room she gave me a very inviting smile and a warm hug. After exchanging the tokens we started kissing. Adele's demeanor is very much the kind of "I am going to give you a very relaxing time today" and this continued throughout 30 minutes. I then undressed her and myself then we both stood in front of the mirror, while me standing behind her. While my hands started to caress her beautiful boobs she flipped her hairs back so that i can get to kiss on her neck, which i did and she responded with a nice kiss. Then on to the bed and lots of romping and kissing; i could not stop looking at her very beautiful face and an amazing smile. Then i sucked her boobs, and started to go down while kissing her navel. At the bottom is were i discovered the treasure trove of her pink-colored sweets tasting fanny. While licking her fanny, her thighs caught my attention and this is exact the moment i decided that i must write a five-star review for her. Oh my god, could not decide what to lick: her supple, smooth thigh or sweet, fanny; both are equally inviting. and her moaning was mind blowing. Then on to sixty nine and the fanny licking continued; her liquid poured down my mouth which was blissful. While in sixty nine i received great oral too. Then onto missionary fuck which was very good too; your member can enjoy her fanny while you can enjoy her golden hairs and her super soft lips and smooth skin. Finally, onto doggy style where i got to know that this girl can fuck really hard. Literally, get into the doggy position and just stay there, do not move and she will drain you out in a minute; absolute fucking machine she is; Wow. After unloading myself in the bag we lay next to each other while i gently rubbed my hands around her neck and shoulder; which she said she liked; she laid there with her eyes closed and i enjoyed watching her beauty. Then we has some small talks about here and there. Eventually we got up and

it was time for me to leave her to await the next visit. I have seen many girls but she is definitely out of the league. She is a must see girl at HOD. Respect her boundaries and you will be in for a great punt.
