Notes: Formerly known as Attractions Massage. This agency has been found to have passed off stock model photos as their escorts.

The Premises:

Detached house. Easy to find, about 2miles from Slough railway station. Parking available in the garden, also local side roads.

Downstairs room. Good size, big bed which doesn't make a noise. Mirrors and bondage stuff on the walls. Well lit, I always think dark rooms are hiding something.

Excellent comms from the receptionist, always prompt and clear.

The Lady:

As beautiful a babe as you will ever find.

My guess, about 32yo. Lovely firm boobs. Now with a short haircut, it really suits her. Full black kit, stockings and patent heels. Shoe size 6.

Treat her. Eva wearing the shoes or boots that you have chosen!!

The Story:

I have seen Eva several times. Each time it gets better and better.

Eva entered as I was unpacking. Prosecco, glasses, condoms, lube etc.

A sight to behold. Regrettably I didn't get a chance to really admire Eva in all her glory as she was very soon sitting on my face. This is a firm favourite with us. Me head back over the bed, Eva trying to decide which way round to sit. My suggestion was lick her bottom. No point in being shy. The knickers came off. Eva kneeled on the bed, bottom up. I opened her bottom and filled it with my tongue. Anything more is a no, no. You will be kicked out and barred. Bottom licking took a while, and needs to be thorough.

Time for some cock. I think Eva suggested OWO which was glorious followed by sinking my cock into her lovely pussy, doggie.

NB All cock/pussy action is covered, always.

Now it gets tricky. All this happened, sequence, not so sure.

I wanted to make Eva come but she wouldn't let me. Next suggestion, pussy eating. Big smile. We got comfortable, Eva ready pussy held open. I was able to do a full tour, outer lips [her favourite] inner lips, clit, pussy deep and bottom. One finger gently inserted into her pussy for her to rub

against. She did one of my favourite things. Holding the back of my head as my tongue was in her bottom.

Followed 2+ hours of naughty fun.

Highlights.

Suck my titties for me.

Eva needed a wee. I was led through the house, naked, cock out and hard. Nobody about, but the receptionist seemed to approve. Eva sat peeing, me sitting opposite, wanking my cock. Then, 'clean me'. My job was to lick her pussy clean.

Using Eva's throat for DT. We tried several positions including our favourite. Eva sitting by the wall. Arms up and held, cock down throat. Also head back over the side of the bed. Need to go carefully. Another favourite, toe sucking. Eva on her back at the edge of the bed, cock deep in pussy, toes in my mouth.

Eva likes watersports, giving. She had me hold a glass close to her pussy and catch the pee. A good glass full. I drank two big mouthfuls.

The action wasn't all R>E. As we were chatting, she said 'excuse me' then DT on my cock.

We had opened a condom by mistake, shame to waste it. Cowgirl. Why not? I get to watch and hold her fabulous tits and see her grinding on my cock for her pleasure. Eva spat into my mouth and face, all swallowed. Also at this point I asked for two things. Turn up the naughty and whisper to me. Turn up the naughty was greeted with. 'You as well!' The whisper part is great. it's great being told 'fuck me hard' is one thing, so much better. Whispered in your ear, 'I love it when you fuck me hard'.

Eva needed another wee. Back upstairs, I thought a repeat, me watching and wanking. Eva had other ideas. She told me to get in the bath. I didn't hesitate. Eva stood over me. Her pussy was very close to my open mouth. She peed into my mouth. 'Swallow it you dirty fucker!' Her pee filled my mouth, a big swallow and the rest went over me. Eva hadn't finished and moved. Now she peed on my hard cock, a first for me.

Spitting into her pussy was also fun but sure when this happened.

Time was getting on.

Eva asked me to make her cum. If it was my choice this would be about number four. She laid back, pussy open. Starting with her outer lips I gradually increased pressure, then inner lips, bottom to clit. Bottom next, tongue ok, nothing else. Finally one, then two fingers in her pussy. Eva moved to take my fingers deeper. 'Don't fucking stop' or similar. Then convulsing on my fingers. A few seconds rest, then cock. Covered.

My turn. We had decided on COB. Me standing over Eva wanking my cock. Her rubbing her pussy and telling me to wank it hard and come on her tits. I couldn't hold back. An explosion of hot cum on her tits. Eva smiled and pushed her tits up for me to lick clean. I swallowed all my cum.

We had time to spare. We cuddled for a while, not grabbing her tits, just gentle embracing.

I will be back to see Eva just as soon as time and funds allow.

I cannot recommend Eva highly enough. 11/10
