The Premises:

Easy parking, apartment next to shopping centre. Very clean and shower facilities. Booking very straightforward with confirmation required on the morning. Can book via phone or text and the maids are always super helpful.

The Lady:

I had seen Viva's incredibly sexy pictures on socials for some time but she usually works at house of divine in London and it was hard to make diary work. When she became available for one or two days in Milton Keynes I got the hour booked up.

I found Viva incredibly sexy with a very sexy mischievous way about her which was really fun. Fantastic arse and unbelievably good nipples, you could hang a coat off them!

The Story:

From start to finish I had a great time - prepare to be seduced by a very sexy Latvian!

Fantastic kissing, sexy whispers, great sex and absolutely mind blowing oral.

Apart from being a seductive sex bomb she is also a lovely lady and very easy to talk to.

I'll be booking again when she ventures back to MK and If you haven't had the pleasure of Viva then I would defiantly recommend.
