The Story:

This was my first time visiting Eden and to be honest I don't no why , I usually see Elizabeth or bunny or Jess but they was not working on this day so I opted for Eden ,what a absolute treat she is very beautiful and gym fit body and the newly enhanced breast,she came in the room as if we was old friends straight on to the kissing very passionate,stripped of to reveal the most fantastic toned body I have seen in a long time,on to the bed for some wet and sloppy blow job without and ball sucking and licking and after what seemed ages she came up to me and started kissing me again,she loved being stroked on her back legs and feet and loves finger play ,and then she said she'll we have sex i said ok if we must lol ,on went the condom and she Road me until I couldn't hold back any more and then she cleaned me up ,and to my surprise she said you still have some time left can I give you a massage and what a fantastic massage it was, all in all a fantastic time with a fantastic girl
