The Premises:

The original flat in The Hub. Park over the road in Sainsbury's or in the paid spaces nearby. Buzzed in swiftly on arrival, made my way up in the lift with no problems. Clean & tidy bathroom with some toiletries available.

The Lady:

Greeted at the door by Ella who was looking even more sexy than when I'd visited her previously. I'd requested she wore a particular lingerie set for me & was happy to see she looked absolutely stunning in it. She looks even better than her photos both on the Annabella's site & the Twitter pages - slim but curvy, fantastic pair of boobs with a nice juicy arse. Facially she's very attractive with a great smile & her go-ahead attitude really works for me.

The Story:

Started off with some nice welcoming chat, accepted the offer of a glass of water & quickly used the shower. Was joined in the room a few moments later & then the fun really began... Great kissing & fondling to start before moving on to some amazing oral both ways. Soon it was time to have the condom expertly applied with her mouth & I slowly slipped inside her. Some intense physical action followed this & before too much longer she requested I finish in her mouth, an offer I greedily accepted! Another fantastic time with Ella, I'm never disappointed when I see her. Highly recommended.
