The Story:

Wow what an amazing experience it's true what they say blondes
Are more fun. My first two girls massage and I wasn't disappointed
Just incredible from start to finish. There were no awkward moments
Both girls set about their work in an organised and professional manner.
The reach unders and the body to body massage from both girls
Were fantastic the happy ending is something I will never forget with Angelica sitting on my legs
doing the work
Faye sitting on my chest playing with me. An experience I will be repeating. Thank you
Girls for an hour I will never forget.
