The Lady:

Looks as per the body pictures. She's a curvy girl; brunette with bleach blonde hair. Pleasant face.

The Story:

We started off in a clinch with big tongues snogging.

She slightly curtailed the foreplay by going straight down for my cock. She has a good owo technique. We got on the bed. The owo continued with big sloppy tongue licks on my balls which felt great.

I asked for 69. She got on top. Slight gripe because she broke off 69 a bit early, which I did mind somewhat. I was enjoying eating her. Anyway we went into a second snogging sequence. She wanked my hard on and I fingered her pussy mid depth. I could tell it was going to be a tight shag.

She rubbered me up, but didn't bother with the lube. She got on top and squeezed my cock in. She felt great. Then she shoved her tongue back in my mouth. I pumped her, getting in balls deep after a few strokes. Then I turned her over, got on top and pushed back in. More snogging and I shagged her quite hard. I blew my load and she let me stay inside a short while.

She popped out of the room. I thought we were done, but then she came back to the room and gave me more snogs before I could reach for my clothes. I got dressed and ready to leave. Big hug with more snogging and she was still snogging me as we got to the front door. Enthusiastic service I'd say.
