Details of Service Provider:

Profile Name: Asian Sensual Massage To Gentleman, Central London

Website: <https://sisi-eroticmassage.london>

Phone: 07538104074

The Premises:

A modern apartment block in central London. Looks a bit like a converted office block. The room is large and clean and has a massage table in the middle.

The Lady:

Mature lady from the far east. She is exactly as she is on the website so no shocks in that department. Her English is passable for her job, and she does have a cheeky sense of humour.

The Story:

Opted for a Chinese massage with a happy ending. The massage was firm and very good. I was nice and relaxed when I turned over. The happy ending was indeed very happy. She finished off with a gentle massage which was a nice touch. Will go back and try the other massage methods.
