The Premises:

The normal Pimlico basement location.

The Lady:

Eden is tallish and slim, she looks to be in her mid thirties, which matches the profile description. She is attractive, in a cute girl next door type of way, which is what I really like. She speaks excellent English, with barely a trace of a foreign accent and she is very personable. Her boobs don't look partially natural, but they are not silly big or anything, nothing to concern me whatsoever, just a little fake in appearance maybe; nice and firm with erect nipples, so no complaints there. Fully shaven downstairs. Clean and well presented like all the HOD girls.

The Story:

I had originally booked Bunny, whom I quite regularly see of a weekend. However, this week she had called in sick, so I was offered a choice of either Eden or Sierra. I opted for Eden as Sierra does not offer French Kissing, which is a prerequisite for me.

I arrived at the appointed time and was shown to the room, and offered the customary drink which I gratefully accepted. You cannot fault the HOD maids.

Eden came in after a minute or two and immediately planted a passionate kiss on my lips! I knew instantly that this was going to be a good substitution. Paperwork out of the way and it was back to full on snogging. It took very little time before there was a very noticeable bulge in my pants, which Eden could clearly feel pressing against her. She ran her hand over it and slid down my pants to stroke my balls. I took the opportunity to remove her bra while we continued to snog. This continued for a few minutes before she dropped down on her knees to take my now very hard cock into her mouth - Glorious. Next we moved on to the bed, off with all the clothing, we kissed and cuddled like lovers; more OWO repaid with RO and before I knew it, there was only 10 minutes left. On with the condom and I slid inside her, she squirmed and moaned like a true professional as I pounded away to reach the perfect ending. We cleaned up and it was time up. Wow!

Eden is so sweet, she really made every effort to please and succeeded in every way. I will be

adding her to my list of favourites for sure. Sometimes you get unexpected rewards when things don't go to plan. A good experience for sure.
