### The Premises:

Carla is an Annabella's girl but this meeting took place at the original MKE place in Fenny Stratford. Free parking just a 30 second walk from the entrance where I was greeted by the friendly maid. Shown straight into the room which fronts onto Aylesbury Street which is fit for purpose with a double bed, chair & dresser with mirror. Carla joined me almost immediately & offered me a glass of water which I accepted. No shower offered (there are none on the ground floor) so once I'd undressed I received a quick wipe down in the downstairs department.

### The Lady:

Carla is an attractive brown-haired woman in her forties with a pair of large but shapely natural boobs & a curvy bottom half. Definite MILF material, especially in her black lingerie set, she really enjoyed being groped & caressed. Friendly, suggestive persona with a quite a dirty mouth - a lot of fun basically!

### The Story:

Carla remembered me from my visit to her a few years previously & we got straight to kissing with tongues. I let my hands run over her body & she wasted no time in stripping off completely apart from her holdups so I had total access to all the goods. Before long she was kneeling in front of me using her mouth & boobs to good effect on me. After enjoying this sensation for a good period of time I asked her to lay back on the bed so I could return the favour. After a while she used her mouth on me again, then I rubbered up to penetrate her, first in missionary then from behind. Plenty of filthy talk & banter passed between us as we did the dance, while on the other side of the curtained window the goings-on of the general public could be heard which certainly added to the whole scene. I enquired if a CIM finish was still being offered to which the answer was "of course!" so I removed the condom & was treated to no-hands blowjob which finished me off perfectly. With a few minutes left on the clock we had a cuddle & a chat about our sexual & escorting experiences before a still-naked Carla showed me out with a big kiss at the door. A very enjoyable hour spent with a sexy, mature woman who was happy to accomodate my needs.
