The Premises:

The apartment was very clean, showers and facilities very nice - the bedroom was amazing and really sets a sensual tone. The mattress could probably do with changing though.

The Lady:

Well, what can I say about Morgan - she is absolutely stunning! Her photos do her justice, but seeing her in person made my jaw almost drop - she has the best curves the most amazing breasts and facial features are incredible. She's

The Story:

I arrived at the apartment 5 minutes early and although I had to wait quite a while this didn't affect the experience. If anything it made me more horny with anticipation. I had a drink brought to me whilst I waited and the maid was very polite and professional.

Morgan came in, in a nice black outfit and a beaming smile, which made me feel at ease. She gave me a hug, introduced herself and told me a bit about the life of Morgan. She then told me to undress and I got on the bed - we spoke for a bit longer whilst she gently played with me. If anything this just made me feel comfortable and relaxed - we started kissing which really turned me on. Slowly playing with me she went down and gave me the best owo I have ever received - I do not know how to explain how Morgan did what she did to me but from start to finish it made me feel like I was having one giant orgasm! After enjoying a lot of attention I asked if I could go down on her and return the favour. Morgan has a perfect pussy and tasted amazing. She enjoyed receiving oral and didn't want me to stop and I went to town on her, to her liking - she told me what to do, I delivered and she came. I came back up and spooned her as she needed a rest.

Morgan then started giving me owo again and it felt even better - she asked if I wanted her to carry on

Or strap up. I could have easily let her carry on giving me owo to climax but I just had to enjoy my dick inside her - she felt amazing and started off slow in missionary to the point where she had her legs up in the air and I released all that sexual passion. After the deed was done we chatted for a little while had a few more kisses and I left very happy

She is a must to visit - Morgan.... You're the absolute best experience!!
