The Premises:

Mata can be found in an apartment block close to Porchester swimming pool. I arrived in good time and was buzzed in easily and quickly and found my way to Mata's flat without any difficulty. Mata was hiding behind the door and led me along the corridor past three closed doors to her room which was at the end. Next to it the bathroom door was opened where I had a quick wash and a swallow of mouth wash before entering the room where Mata was waiting for me.

The Lady:

I wouldn't recognise Mata from her photos. I was expecting a well fed Sally Hawkins. In reality Mata was smiley and demure and her face was a different shape to her photos and very oriental looking unlike her gallery which make her look more western. I was pleased that she didn't insist on joining me in the shower to soap me up cos I don't really like that & I felt that Fallyn wasted ten minutes of my time when I visited her. I just like to be hygienic for the girl and a quick wash of my bits is good enough, I think.

Mata was dressed in the red school girl top and dress together with black stockings and glasses. Her big enhanced tits stood out against her slim flat stomach. She has nice shapely bottom and long nipples that were great for sucking but she found them sensitive so I wasn't allowed much of a go on them.

Mata has a superb personality.. She is quite submissive and appeared happy to do as instructed even if her English ain't great..

The Story:

Kissing was enthusiastic and with tongues but not much sticking of tongue down one another's throat. Mata is the best nipple licker I have encountered in all my years of punting and was attentive of them throughout the punt. I licked Mata's pussy and she made appreciative noises that weren't exaggerated. Mata was on top of me with her pussy in my face as I stroked the tops of her thighs and the material of her stocking. We had a bit of a 69 before Mata finger fucked me in the bottom. In the 69 position I rimmed Mata's bottom and also inserted the tip of my finger in her bum which she didn't object to. Her English which isn't great improved a bit when I asked her to say "I am fucking you", which she repeated while vigorously pounding my bottom. We had sex in doggy, mish and anal before I whipped the condom off and finished in Mata's mouth. This too was memorable cos she held my cock in her mouth about a minute before leaving the room to spit it out.

Mata is a good punt and but I wouldn't visit again on account of the visible albeit soft facial hair above her lip which troubled me.
