The Premises:

Booked late afternoon for the early evening, the maid was very helpful with my queries.

No need to use the car park this time – I was able to walk from my hotel. The maid welcomed me in, there was a small delay while I was asked to change rooms but this was not an issue and I received the full time for my booking, including shower before and after. Room was spacious and clean and tidy as you would expect. I was looked after very well.

The Lady:

Vanessa was wonderful to spend time with. Lovely body and figure, Twitter/X photos are very accurate. Just superb.

The Story:

I had wanted to meet Vanessa for some time but had always ended up hesitating with this and other bookings. Being a bit of an older gentleman (not too old!), it can take me a long time to get going and even then I can't always sustain things and so do not wish to disappoint. Therefore I much prefer a slower sensual session.

I need not have worried! From the outset Vanessa was extremely friendly and welcoming. It was passionate DFK, mutual oral and pleasuring from the outset and throughout which was fantastic and I absolutely loved our session. I know Vanessa enjoyed herself too and definitely orgasmed multiple times and was pretty vocal throughout!

In summary, a wonderful meeting with a wonderful lady. Vanessa is gorgeous – I will be definitely booking again.
