Profile Name: Annabellas MK

Website: <http://www.annabellasescorts.com/home.php>

Phone: 01908234646

Phone: 01908711821

The Premises:

Annabella's place in Central MK. The room was in great condition, very well decorated and the bed was nice and large.

The Lady:

The description on the website of Eden is accurate. She is in her late 30's to early 40's, 5'6", Size 8, 34D Enhanced, black hair, toned and fit.

The Story:

Eden entered the room all nice and cheerful. She wasted no time and immediately began undressing me, kissing and caressing my body. I liked her style. She then removed her lingerie and we lay on the bed where she carried on kissing me (LFK) and then continued to work on my body.

She then began sucking my cock. She gave me oral without, licking my shaft and sucking on my balls. I asked if she did DFK and she came over and spent some time deep French kissing. It wasn't snogging your face off but it was DFK. I then asked her to lay down so that I can work on her. She has really big erect nipples, which I thoroughly enjoyed sucking on and she also has nice round enhanced tits.

I then proceeded to lick her pussy, which was clean shaven and she has a nice large labia to lick and eat. She said she doesn't like fingers inside but she was happy for me to lick her pussy. I then wanted to lick her ass, so asked her to turn around and I gave her ass a good rimming. Her ass hole was clean.

She then gave me another blowjob to get me hard again and then put a condom on and we fucked in missionary. She was moaning throughout as I fucked her. We only had a couple of mins left, so I asked her for CIM and she was more than happy to oblige. She kept sucking me, even when I was cumming in her mouth.

We had a short chat as we got dressed and then she kissed me goodbye.

Overall:

Eden was cheerful, lovely and happy to provide me with what I wanted. Her services were delivered with enthusiasm and I genuinely felt like she was happy to be there with me. I left feeling happy and would return to see her again. I rate this experience a positive at 9/10.
