The Premises:

Premise is very discreet. Outside looks a bit rough around the edges but inside is nice and the room set a great tone! Easy parking

The Lady:

Patrice is perfect in every way - fairly short in height which I like, I was towering above her. Patrice's body is to die for.... Curvy, great legs, bum, breasts, skin and facial features that make you hard AF! I cannot express just how good her body is and she knows how to flaunt it. Patrice looks a bit younger than 28 to me and has a great personality too - her pictures on the website and on other platforms are accurate, but you just can't beat looking and touching that hot body in real time. Anyone even thinking twice about seeing this goddess, my advice is.... Stop waiting and get stuck in!

Also, as always, the staff at MKE make you feel very welcome.

The Story:

Patrice entered the room and was very flirtatious, confident and fun. She immediately gave me a hug and a kiss and just loved showing that amazing body off to me! She started with a little dance and I had my hands all over her big juicy bum. I could have just spent the whole time looking at it to be fair - but lucky for me she quickly joined me on the bed, gave me an amazing kiss, with some excellent tongue action. She then proceeded to give me, what I can only describe as, the best blowy I have ever received - I've had some great head off all the MKE and Annabella escorts I've visited in the past, but Patrice just took it to another dimension!! It was sloppy, she took all of me, which I've never had anyone able to do before and her lips and tongue just made my dick feel like it had gone to heaven. She made eye contact, gave me some dirty looks and some smiles, which really got me going!

She really invested some time in giving me a great experience.... Enough was enough though and I had to get my fella in her sexy pussy. She is very neat and tidy downstairs and felt great. Legs up in the air, tits out and moans galore. I had a great view of her body! she even called me by my name which I find super hot - exploding in the bag felt unreal and I thoroughly enjoyed shooting my load in her.

Time was up and we had a good chat, had a laugh, a kiss and a hug goodbye

I'd been wanting to see Patrice for ages and I'm so glad I did!!!
What an experience
