The Premises:

The location was in an older block of flats not far from Grays Inn Road. Chancery Lane tube station is the nearest. I had difficulty getting buzzed in because the flat had a 3 digit number and all the keypads outside only took 2 digits. Luckily, someone left and I gained access into the courtyard.

The Lady:

Similar to the AW profile, she was a slim EE girl with B cup breasts and pierced nipples. She had a very shapely bum and kept her tiny red thong on.

The Story:

I enjoyed the massage/relief session. It wasn't so much a massage more of a tantric/lingam stroking with warm oil which I thoroughly enjoyed. When the turnover time arrived I was really in need of a climax. I was allowed access to fondle and suck her breasts and squeeze her shapely bottom. The relief was good and I was really satisfied. I used the en-suite shower to clean the oil from my body.

There seemed to be other girls using this facility which is accessible from either Holborn, Farringdon or Chancery Lane.
