The Premises:

Bletchley location - top floor room, good size (helpful as there were 4 of us) with bathroom next to the room.

The Lady:

Jess, with her killer body and long dark hair exudes sexiness at every move. Her 11/10 bum is a work of art, she knows exactly how to use it to make the entire experience mind blowingly fantastic

Bunny, the petite dynamo, brings an infectious energy and playful vibe to the encounter. Seriously hot with sexy red hair she brings a playful and exciting spark to the atmosphere. The way she engaged in the foursome was an absolute joy.

Liz, with her hypnotically sexy presence, long dark hair, and perfect nipples, brought a level of sensuality that was truly captivating. Her curves are a temptation that is impossible to resist.

The Story:

Unforgettable Trio Adventure!

I recently had the pleasure of an extraordinary hour with Jess, Bunny, and Liz, and I can only describe it as a mind-blowing experience that left me wondering how I can return to having 'normal sex' again ha ha.

Dressed in nurse uniforms, the ladies took charge, tying me up for an absolutely amazing three-way oral experience. The synchronised moves, combined with the visual delight of the three looking up at me, dresses as nurses with ups on show, was beyond my wildest fantasies.

Halfway through, we switched to crotchless fishnet body stockings (I love fishnets), and the pleasure reached new heights. The sensation of one lady in cowgirl while the other two engaged in deep French kisses created an erotic symphony that you just can't forget.

Bunny and Jess took turns giving each other oral, kissing me whilst Liz was giving me amazing oral.

They each took a turn on top whilst the other two kissed me, I finally finished with about a minute to spare as the hour flew by in a blur of ecstasy. My only regret was not booking longer, as the fun was so good I really needed more time to enjoy.

All three are physically stunning, pretty and have an incredibly sexy aura about them. The chemistry between them made the entire experience super sexy but seriously fun.

In summary, if you're looking for an experience that combines fun, laughter and unbridled passion with three incredible ladies, this trio of Jess, Bunny, and Liz is an absolute must. A five-star experience that has literally blown my mind! ??????????
