The Premises:

A single doorway entrance in parade of shops. Very clean and well appointed rooms, always a very friendly welcome, lovely staff.

The Lady:

Gorgeous Brazilian lady, now some ladies use the word curves to hide being overweight but not Milla. She has the most incredible body with seamless olive skin and some slight tan lines that make Brazilian girls so sexy. Lovely long dark hair and a sexy figure. English is not her first language so don't expect and in depth conversation but there won't be much time for that anyway!

The Story:

Wow wow and wow! When so meet some girls its a slow burner, tentatively exploring what they are happy with, not Milla straight in to DFK slipped off her robe to reveal that amazing body clad in some sexy underwear. It was like we were lovers who hadn't seen each other in a while. After some amazing oral I took over and my pleasure is giving pleasure and she has an insatiable appetite for my head between her thighs! Over and over again then on with the cover for an amazing climax to the meeting. MN does it again, I love the place, beautiful girls, honest pricing and lovely people - I will definitely return
