The Premises:

A clean and pleasant flat in central Nottingham easy to find with parking nearby. The entrance was discreet enough and I felt safe. I did not bump into anyone else and did not feel watched or overlooked.

The Lady:

Hanna is very beautiful. She has a gym toned figure with curves in all the right places. She is exactly as she appears in her photos with amazing newly enhanced breasts which I loved playing with. She is in superb shape for her age and has so much energy. Hanna is warm and welcoming and has a great sense of humour.

The Story:

Hanna gave me a really relaxed, sensual experience. Lots of kissing, cuddling, stroking and playing with eachother. We both have highly sensitive nipples which was great fun.

Hanna is highly sexed and was very keen for me to perform reverse oral on her, which I loved doing because she clearly enjoyed it so much. She came multiple times before taking her turn with OWO. That was by far the best blowjob I have ever had as she took her time and slowly and sensually brought me to a wonderful climax.

As an older punter, she looked after me admirably and with a seemingly boundless supply of energy!

Her strap line says "Praise the Lorde"...she didn't quite raise the dead, with me about she managed to overcome the problem that I had forgotten to take my little blue pill! I had a great time with Hanna, one I hope to be able to repeat again soon
