The Story:

I came into the room waited for a few moments and then Jules came in and greeted me and we had a chat about our day as usual. We told each other what we liked and disliked getting that out of the way as quick as possible so there is nothing missing from the experience.

We started with a massage Jules giving me one and then things progressed further with OWO, doggy and cowgirl - really enjoyed the whole experience and after a bad punt this was made up for it.

Jules is shy at first but once you get to know her she opens up making the punt so much nice and easier to enjoy for everyone.

I LOVED MY TIME with her and she is one of my go to ladies to see now going forward.
