The Story:

So arrived was a bit early so was placed in the toilet (to be discreet)

Given it's nearing Father Christmas times it's so busy lol leas complaining just sitting in suspense as she doesn't have much pictures on line.

Anyways she soon came in and took me to my room!!

Had her money on the table she got me water.

&'we Got right to it

Great kissing (I think she loves that)

And then on to OWO

Great technique with some ball sucking

I then asked her for more action & her party trick - all mouth less hands.

She Is good I must say

Then it was my turn so I obliged - teased her with kisses before I got to work

In no time she was pulling away semi holding back due to the euphoria

Not so easily would I let her off the hook given the good job she did for me

So I kept on till she could not hold on any longer with a quiver to her legs!!

On with the sleeve and it was pound town as she played with her clit moaning as the headboard did a cameo for us lol.

On top she came and boy did she go for it

Loads of tongue action with eye contact
Finishing with doggy
Lovely gripping pussy on show (what a view)

Great lady that only features once a week!!
Not many pictures "with no tattoos about faith, but guys keep the faith that you'll definitely get something special if you are lucky enough to get a slot with her!!!"

Cheers madam for a good session!!

You were great
