The Premises:

You must know this by now. 10 minutes from Victoria Station.

The Lady:

Like her photos. Very much enhanced breast, if you like that sort of thing. Not my bag personally. Great personality though, friendly and helpful.

The Story:

Have you heard of The Singapore Grip? I have experienced it in the past with lovers during their orgasm. If you have not then you are missing out. I have no idea if Eden came or not but twice I felt 'the grip' Good for her either way. The whole encounter was great fun despite my reservations about her enhancements. She is a lovely lady.
