### The Premises:

In Victoria in a 1st floor flat.

### The Lady:

Very Hot just like advertised on the Website i was not disappointed perhaps one of the most beautiful looking women I've been with from an aesthetic point of view. Looks like her photos. No visible tattoos or excessive piercings. Taller younger and hotter than me ticks my main boxes.

### The Story:

Super hot looking blonde woman accurate age and height details as advertised on the website. She doesn't french kiss but then that wasn't advertised anyway. She was friendly and even complementing my appearance and i didn't labour something she wasn't comfortable with. Oral was with a condom but she handled him with care and wasn't impatient or rough and largely on her appearance alone i quickly stiffened. She rode him for a bit, I took her from behind for a bit (she favours a more sensual thrust than anything too hardcore) then reached a finale in missionary. I can see her being popular at HOD and giving them a revival as there was a dearth of attractive talent there after the pandemic.
