Victoria first floor flat

The Lady:

Long black hair slim physique some very small tattoos on hand but otherwise relatively uninked. No excessive piercings mid 20s as advertised on the HOD website accurately. I thought she was attractive and i wasn't disappointed with her appearance or attitude.

The Story:

Some light kissing, very gentle uncovered blow job that rapidly stiffened 'him'. Some riding before fucking in doggy and getting into to missionary to finish. I would return as i had fun and it seems HOD is returning slowly to its pre pandemic days in terms of talent on offer.
