The Premises:

Basement flat that's about an equal 10 minutes' walk from the Victoria and Pimlico stations.

A discreet entrance for the location, but hold your head up high and be proud to be visiting such an establishment....but even if someone catches your eye they'll most likely be a tourist and fully unaware of your destination.

The Lady:

Viva is a real Baltic beauty. She has a beautiful and warm face with a smile that lights up the heart with a cheeky hint of what's to come. She's tall and slim with a natural body that's a combination of elegance and the erotic, her hair would give Rapunzel a run for her money.

Viva has a welcoming and down-to-earth personality and even after such a short time together it was apparent that she has a sharp and intelligent mind.

Her photos are a good indication.

The Story:

I was seeing Viva on personal recommendation and when this Baltic beauty opened the door, in her chic lingerie, I knew at first sight I was in for a Valentine's Day treat.

Viva led me to the room and upon my request to freshen up she provided me with a fresh towel and an escort to the bathroom.

Back in the room, with a clean body and mouth, Viva wasted no time in embracing me and kissing me with such sensuality I could almost fool myself into believing she was enjoying it as much as I was.

I could have stayed with our tongues kissing like that for the whole session but my straining cock had other ideas so I broke off and started to slowly kiss my way down to her breasts; reading my mind she removed her bra to reveal, what I'd say are, perfect breasts with hard suckable nipples that I soon was doing with abandon. As I kissed and suck I especially enjoyed how she ran her fingers through my hair and whispered words of encouragement; not that any were needed.

I almost lost track of time but lucky for me Viva offered oral and I'm glad she did as she expertly edged me with her mouth and tongue, however, I had to use all my will power to stop her as I was

about to orgasm and before I did I want to try my favorite pass time.....so I asked her to lay on the bed and starting at her breasts again I kissed my way down her body then down and up her amazing legs and finally performing oral on her beautiful vulva. I don't know what I'm doing but I was in heaven and it was really erotic how Viva would pull my head up for more passionate kissing until she gently moved my head back between her legs. Eventually, aware that our time together was coming to an end I asked for more of her oral pleasuring as well as her consent to cum in her mouth, she happily agreed and it wasn't long before I was having a body draining La petite mort which Viva expertly dealt with.

Viva and I had a relaxed talk whilst I summoned the energy to dress and leave. Viva showed me to the door and sent me on my way with a kiss..... I was on cloud 9 for the rest of the day.

Thanks Viva!
