The Lady:

It was Rose who opened the door and the moment I saw, I went like "Wow"! She was wearing a white lingerie and had the perfect physique I adore.

Just beware, her photographs in the website don't do any justice. To me she appeared to be more naturally beautiful. Not perfectly slim, but fat at the right places.

The Story:

Upon leading me to the room, she said she will come back in a while. Here she comes with a warm welcome and was curious why did I choose her?? Not sure if she got flattered, but my response was just because she appeared to be beautiful. Honestly, I was waiting for her to be available.

Anyway, after I handed her the money she asked what do I do for a living and some chit-chat, and also I asked what she is comfortable with and what not etc..

Though DFK was not offer we engaged in some FK and some light DFK and then started feasting on her beautiful pussy. While licking her clit, she made some reflexes syaing she has a very sensitive clit.. after some feasting on my favorite food, Rose gave some high quality blowjob, while holding my johnny with her petit hands and no, she didnt forget to take care of the balls...this went on for sometime and she asked if I was ready for penetration and If I want to be on top or her.. We started with traditional missionary with thrust of varying rhythm-- some noisy thrust while sometimes very slow...

After about 5 minutes, changed to doggy and softly spank her beautiful butt..while grabbing her soft and big breasts from behind..

While this went for sometime, we changed to cowgirl, she leaned on me while doing all the work, while I kept on sucking the titties..

Finally moved back to the missionary, with her beautiful legs on my shoulder with her heels on and I kept on thrusting to finish...

Finished the deed about 5 minutes left and I promised to return sometime soon. She said, she is there twice a week.
