The Premises:

Usual HOD location about 10 minutes walk from Victoria. First floor flat, front room, clean and tidy.

The Lady:

Simply wow! Beautiful, slim, with a lovely smile. Mid twenties, softly spoken and easy-going. A true English rose with a hint of naughtiness.

The Story:

Arrived a few minutes early (as usual) and buzzed in promptly. Walked up the stairs and was ushered into the front bedroom by the maid and offered a glass of water, which I accepted. Shoes and socks removed with paperwork and now obligatory gift left on the bedside table. I didn't have to wait long before the beautiful Elle walked in wearing a very slinky one-piece. A little light snogging and chat during which we discussed what we both liked - Elle was so easy to talk to, and with my pre-punt nerves dissipated, it was on to the fun.

I asked for a sensual GFE, as it's nice to just go slow and relish the experience sometimes, and boy, that's exactly what I got. Plenty of kissing and caressing whilst slowly exploring each others bodies - it took us 10 minutes just to undress each other. I don't normally go into too much detail in my reviews, but on this occasion I'll make an exception.

Elle started by properly teasing my cock, which was rock hard from the outset, before giving a very slow and sloppy OWO, fixating her eyes on mine as she did so and going quite deep with plenty of attention to my balls - wonderful. Next onto RO (my god she tasted sweet), making sure Elle's arse got a good rimming as well. This soon turned into a very intense 69 session, during which I had to concentrate on not blowing my load too early, such was her amazing technique. Elle hadn't finished with me yet mind and in one swift movement, swung round and sat on my face. Grabbing the headboard with both hands, Elle proceeded to vigorously grind her pussy and arsehole onto my face and tongue, whilst I caressed her perfect tits and arse. I got the distinct impression that Elle was really enjoying this, as was I, and we kept this up for a good 10 minutes with Elle making all the right noises - amazing. I always like a hand/cim finish and Elle didn't disappoint, even allowing me to finger her sodden arsehole at the same time and as such, it didn't take long for me to explode in

her mouth. The picture of Elle looking into my eyes, taking my cum in her open mouth and giving me the biggest smile afterwards is something that will be burned into my memory for quite some time.

A quick clean up and a brief chat whilst we dressed and I was on my way with a kiss goodbye (nice touch). My intention was to do a bit of last minute Christmas shopping afterwards, but my legs were like jelly for a good hour.

To conclude... Elle is a perfect blend of intelligence, cuteness and pure filth. An amazing body and without trying to sound too crass, a fantastic pair of tits and a perfect arse. Gentlemen, treat her well and you will be rewarded. Would I see Elle again? ABSO-FUCKING-LUTELY!!!
