### The Premises:

The parlour itself is easy enough to find located upstairs a shop NEXT LEVEL in an old fashioned styled house does the job wouldnt shout about it could do with an update. Greeted by an older lady big in size but not an issue as she also 'does the job' £1 entry fee taken. Up some stairs £1 entry fee sorted and into a second reception looking area greeted by some friendly more mature ladies.

### The Lady:

Decided to go with sophie honestly nothing spectacular can see she isnt very enthusiastic about being there but smily enough to get me in the room. Up she comes leading me to her room, on first impressions she is definitely more round than her pictures with quite an obvious overhang, i am not prejudice as she made up for this with her friendly manner but i could recommend other places with fitter girls for a £10 extra per punt. Into the room and on with the service. Lots of standard oral the usual questions for small talk and finished with mish.

Overall an ok punt but would rather the wife in terms of looks. And costs less.

### The Story:

Did the job for an in and out rather dingy place but was in a rush so was convenient in terms of location right on chesterfield road would go again for sake of convenience. Cant fault does whats on the tin. Lady could do with a redbull or two.
